La Description

Additional options included: Black Exterior Pack 22" Wheels - Satin Dark Grey (5127) Ebony, Grained Leather Seat Trim 12-Way Electric, Heated Front Seats w/ Memory Sliding Panoramic Roof The 2026 Land Rover Range Rover Sport P360 S represents the foundational entry point into Land Rover's dynamic luxury SUV line, offering a superb blend of power, agility, and premium standard features. The P360 is powered by a robust 3.0 L turbocharged inline six-cylinder engine with Mild Hybrid Electric Vehicle (MHEV) technology, generating a strong 355 horsepower and 369 lb-ft of torque. This performance is seamlessly managed by an 8-speed automatic transmission and the All Wheel Drive (AWD) system. Crucially, the P360 S comes standard with Dynamic Air Suspension and Adaptive Dynamics, allowing the vehicle to intelligently monitor the road and pre-adjust the damping for an exceptionally smooth, controlled, and responsive ride quality. The cabin of the P360 S is a technological sanctuary designed for maximum comfort and connectivity. The interior is defined by the standard, large 13.1-inch Pivi Pro Touchscreen infotainment system, which controls all essential vehicle functions, media, and navigation. The system includes standard Wireless Apple CarPlay, Android Auto, and an integrated Wireless Device Charging pad. Safety and convenience are comprehensive and standard in the Range Rover Sport S. It is equipped with advanced driver assistance technologies such as Adaptive Cruise Control with Steering Assist, Blind Spot Assist, and a 3D Surround Camera system for simplified maneuvering. Capability features like Terrain Response 2 and All Terrain Progress Control (ATPC) ensure the vehicle maintains composure and traction across various

surfaces, from paved roads to challenging trails.
