The 2026 Land Rover Defender 110 P400 X-Dynamic SE represents the perfect "Goldilocks" spec for the Canadian enthusiast, sitting at the intersection of rugged heritage and modern executive luxury. The 2026 model receives a significant interior upgrade with the standard integration of the massive 13.1-inch Pivi Pro curved glass touchscreen, a feature previously reserved for the higher-tier flagship trims. Under the hood, the 395 hp mild-hybrid inline-six provides the refined power necessary for a 5.8-second sprint to 100 km/h, while the Electronic Air Suspension ensures a cloud-like ride over broken pavement or rocky trails.
